From present Committee considerations, it is not possible to tell when the Agency might be called for briefings. The Agency is not included in the pending schedule and, so far, no pressure has developed for our appearance.

25X1 6. [] Met with Mr. John Garrity, House Defense Appropriations Subcommittee staff, who told me that briefings by the Secretary of Defense (who will be followed by various military commanders) are tentatively scheduled to begin on 4 March. The full Committee is expected to hold an organizational meeting later this week.

25X1 7. [] Met with Mr. Herbert Roback, Staff Administrator, Military Operations Subcommittee, Committee on Government Operations, who told me that the Chairman, Representative Chet Holifield (D., Calif.), is considering reassignment of Committee jurisdiction of the Central Intelligence Agency to his own Subcommittee, the Military Operations Subcommittee, from the Moss Subcommittee on Government Information and Foreign Operations. Mr. Roback indicated that there is no indication that the Chairman intends to place demands on the Agency for briefings or otherwise. He noted that Mr. Holifield is completely well disposed toward the Agency and its activities, and in the past has kept up-to-date on the Agency through his membership in the Joint Committee on Atomic Energy. Mr. Roback thanked me for coming by and said he would keep me posted as the situation develops.

25X1 8. [] Met with Messrs. Russ Blandford and Frank Slatinshek, House Armed Services Committee staff, who told me that the rules of the House Armed Services Committee provide that members of the full Committee may attend any Subcommittee meeting and participate in the meeting without vote. They feel this rule may be troublesome for the subcommittee chairmen in the coming year.

I briefed Messrs. Blandford and Slatinshek on the Soviet acknowledgment of the current naval visit to Cuba, and the "Caspian Sea Monster." It was requested that further information be provided on the latter item.
